Mr Bauman L. Belden,
Recording Secretary,
Am. Numismatic Society,
156 Nast & Broadway City,

My dear Sir;

I beg to acknowledge your kind favor of the 11th inst. enclosing information concerning the Society as to membership. Also for your kind invitation to the Annual Meeting next Monday evening for which please accept my thanks. I hope it will be my good fortune to attend since I would personally like to meet you as well as to get a good knowledge of your society and see your beautiful collection for which I have heard so much. Hence you may count upon my attendance if I can get back in time from Washington D.C. where I go to-morrow morning.

Upon my return I will gladly go an "Annual Member" by remitting enclosed fee and dues. I must not add that I am very proud of the honor of becoming a member of your Society and it is very kind of you to accept me and to have nominated me so quickly. I hope it will be my pleasure to be with you many years and as a mark of my appreciation I hope I will be successful in getting some of my friends to join. While in Washington I will attend the annual meeting of the Irish-American Society of which I am a member and perhaps will be able to interest some of my fellow members.

Assuring you of my appreciation in becoming a member of your honored Society and the privilege you offer, thanking you personally for making this possible and hoping I will have the pleasure of meeting you, I beg to remain,

Yours very sincerely,

Joseph A. Sawtelle

Dear Sir:-

I was very glad to receive your letter of 12th inst and hope to have the pleasure of seeing you at our meeting this evening.

I have placed your application for membership before the Council and as no member of the Council is personally acquainted with you I would like to ask if you know any member of the Society and if not if you would object to sending me any information as to your standing?

Please do not consider this as an expression of doubt as to your qualifications for membership, as it is simply a rule which the Council has to obey not to present the name of any candidate for membership to the Society for final action, without some knowledge as to just who the candidate is.

The Council will meet this evening before the meeting of the Society and should it be convenient for you to communicate with me before that time, we can bring up your name for election this evening, otherwise it will lay over until the next meeting of the Society on February 15th.

With kind regards I am, believe me,

Very truly yours

Dear Sir;

In answer to your very kind favor of even date beg to reply that the only member of the Society whom I am personally acquainted with is Mr. John H. Buck, Curator of "Old Silver" at the Metropolitan Museum of Art, who has known me for some time.

I can also with pleasure refer you to Professor Charles C. Herbermann, 346 Convent Ave. who is President of the U.S.C. Historical Society of which I have the honor of being a member the past six years. He will be glad to vouch for me and for my interest in historical matters.

I wish to assure you that I thoroughly

understand the purport of your letter just to hand. Never having met me and knowing absolutely nothing about me I fully appreciate your position in the matter. I would have been very glad to have filled out application blank had you mailed me one, knowing and appreciating the routine initial to proposing a prospective member for any Club or Society.

Thanking you for the kind interest you have taken in this matter, I beg to remain,

Very truly yours,

Dear Sir,

Your favor of recent date to hand and I regret that you had to remind me once more that the month had slipped by. Such is not the case for the honor of being elected a member to such a prominent Society could not lightly be considered. I am sure you & appreciate the privilege you conferred upon me by nominating me for membership. My silence has been due to a multiplicity of small things crowded in upon me and in the hope from time to time that I could be able to say definitely and I have not been aware of the fact that almost two months have slipped by since I was elected a member of the

Connecticut Numismatic Society, Hartford,
and the only check covering Dutchess Fee and
Connecticut Membership I have will reach you
in time in order that my election will not
be forfeited.

Assuring you of the honor I feel in
being a member of the Numismatic Society,
I thanking you for making this possible,
I beg to remain,

Yours very truly,

Joseph Chandler
